**Steve**

Attached is the Northrop Grumman OU3 PCB-Metals Pre-design Report incorporating the changes you requested. The appendices are too large to email and will be sent to you on a CD this week.

**Doug / Carol**

Attached is the Northrop Grumman OU3 PCB-Metals Pre-design Report. The appendices are too large to email and will be sent to Carol on a CD.

Due to email size limitations I will send you a copy of the VOC Pre-design Report in a separate email.

I am available to answer any questions. I will give you some time to review the enclosed report and the CD containing the appendices before scheduling a telephone call between EPA, DEC, DOH and NG to discuss any question you may have.

Thank You
